THE WHY

Celebrate our journey, where tradition meets innovation. Since our inception, we've blended Tennessee Whiskey to perfection. Guided by Nearest's great-great-granddaughter, Victoria Eady Butler, we proudly hold the title of most awarded bourbon for five consecutive years. Now, in honor of our 7th anniversary, we unveil our premium 7-year-old barrel strength Tennessee Whiskey, curated by Victoria. As she often says, "Whiskey is in my blood." Join us in raising a glass to five generations of excellence in whiskey making.

Only 7,000 bottles were made of this limited edition offering. In addition to this amazing whiskey, you will receive a copy of Founder and CEO, Fawn Weaver's book, *Love & Whiskey*, as well as access to the first "lost chapter."

THE STORY

Nearest Green, affectionately nicknamed Uncle Nearest by his friends and family in Lynchburg, Tennessee, is the world's first known African American master distiller. The Uncle Nearest Premium Whiskey brand was created to honor his legacy and ensure that his name would not be forgotten.

Now, after more than seven years of research, his full story is being told in a new book, authored by Uncle Nearest CEO and founder, and New York Times Bestselling Author, Fawn Weaver. The book, *Love & Whiskey: The Remarkable True Story of Jack Daniel, His Master Distiller Nearest Green, and the Improbable Rise of Uncle Nearest*, is a vibrant exploration set in the present day, delving into the life and legacy of Nearest Green, the African American distilling genius who played a pivotal role in the creation of the best-selling whiskey brand in the world.
